*The Highland PTO invites you to join us and make a difference in the education and quality of life for your child. Parent involvement is the cornerstone of every PTO. Being involved with your child's school has a positive effect on your child's well being and academic achievement as well as benefiting teachers and the entire school community. The funding you provide will continue to help the PTO maintain the fun events for the children and continued support for our teachers.*

**WE APPRECIATE YOUR SUPPORT!!!**
